

Walk-in Oral Health Clinic for Kids

WHAT:

A healthy mouth makes for a healthier child! During a brief visit, a licensed dental hygienist with Central District Health Department will meet with parents and guardians and their kids to provide oral health education, apply fluoride varnish and offer a visual check of the child's mouth.

NO COST TO YOU & NO APPOINTMENT NEEDED!

WHEN:

Tuesday, November 15th, 2016 | 9am – 3pm

WHERE:

Boise Basin Library District
123 Montgomery Street, Idaho City

There is **NO COST** to you for this service. Please bring your Medicaid card. We do not refuse service to any child regardless of their insurance or income status.

For more information please call (208) 321-2241.

All services provided by an Extended Access Registered Dental Hygienist.
