INFORMATION FOR AREA PHYSICIANS, CLINICIANS,
LABORATORIANS AND INFECTION CONTROL PRACTITIONERS

Please post/circulate to all appropriate health care professionals.

Phone Lines and Fax Lines Down Affecting Reporting Diseases for the Weekend of
March 4 – March 6, 2011

March 4, 2011

Central District Health Department (CDHD) will be installing a new phone system over the weekend starting at 5:00 pm on Friday, March 4, 2011. All phone and Fax lines will not be operable until open of business on Monday, March 7, 2011. If you need to report an immediately reportable disease, an unusual occurrence of illness, or other public health emergency, please call the Idaho State Communications Center at 1-800-632-8000.

For all other reportable diseases, please plan on faxing or contacting (CDHD) on Monday, March 7, 2011.

Thank you for your patience as we work on upgrading our systems to improve our service to our communities.
