## Event Organizer Information January 2009

In an effort to help you with the organization of your event, I have enclosed a Notification of Event Application. Please fill this out and return it to our office a minimum of 30 days prior to your event.

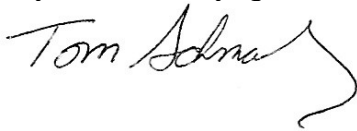

An adequate number of portable toilets with hand washing facilities shall be provided for the food vendors and patrons. A licensed contractor will need to provide this service. The recommended number of portable toilets to be available at special events, based on duration and number of people is enclosed.

Gray water disposal for the food vendors must be readily available. Final disposal of gray water must be at an approved facility.

Some vendors may need to dispose of cooking grease and oils during the event. A contractor can provide grease barrels for pick-up and disposal at an approved facility.

***Please note: all food vendors must*** make an application with Central District Health. We will make the determination if a permit to operate is required.

If you have any questions, please feel free to call.
